THE BEST OF QUEST

BY LUCIEN CAPEHART PHOTOGRAPHY

5

ON FEBRUARY 16, Wally Findlay Galleries hosted a reception for its "Quest: Defining a Quarter of a Century of People, Places, and Events in a Photographic Exhibition" event at 165 Worth Avenue in Palm Beach. Toasting the magazine, and its rich legacy, were some of the icons who have graced its pages throughout Quest's 25-year existence. The gallery was festive, a recreation of Doubles at the Sherry-Netherland—think dishes of peanuts and lots of red—with collages of the magazine decking the walls. ♦
